

AUSTBROKERS SPT PTY LIMITED

FAMILY VIOLENCE POLICIES

A requirement under The General Insurance Code of Practice (2020) is for insurers selling retail insurance products to have a Family Violence Policy publicly available to its customers.

Austbrokers SPT issues the following general insurance products on behalf of the insurer:

- Work Experience Insurance through 360 Accident and Health Pty Ltd

To access the Family Violence policies of our insurer partners, please visit their websites or the links below:

- [360 Accident & Health Pty Ltd](#)

Austbrokers SPT is also committed to assisting its customers who are affected by family violence by:

- being respectful;
- protecting their privacy;
- minimising the number of times a customer is required to disclose information about family violence;
- arranging access to financial hardship assistance, when applicable;
- appropriately training our staff; and
- supporting our employees affected by family violence.
